- **BELIEVE IT** through the eyes of faith in God's promise even though you may not understand it! (God has given the angels and not the circumstances the authority to act on our behalf!)

 - **LIVE IT** by faith - trust God!

LET'S PRAY

- Let's begin by thanking God that He sends and charges angels to minister to us and keep us in all our ways.
 - Next, take a moment to confess to God any unbelief in His promise to us, and ask God for an increase of our faith to believe Him even when we don't understand.
 - Now, let's take it to the next level and pray this promise for yourself, for each member of your family, and anyone else that God brings to mind.
-

LET'S PRAY TOGETHER

Father, You are Lord of the angels & they serve Your commands - we are humbled & honored that You send them to help guard & protect us. We thank You for Your deep care & concern for us & our welfare! Even when we can't discern, sense or see danger, You knew that we needed protection from our enemy & provided it! In Jesus' name, amen.
